National ICT Internship Programme (Batch-6)

Intern Requisition Form

Bangladesh Computer Council is implementing the ICT Internship Programme of the Government of Bangladesh. This programme is aimed at developing skills of the ICT manpower of the country. The goal is to help the country's ICT sector develop. Under this programme, a candidate, selected through a qualifying test, will get industrial exposure through an attachment with a ICT company for 6 months. For the list of qualified candidates and the details of the Internship Programme, please refer to BCC's website www.bcc.net.bd. During attachment, an intern will receive Tk.5000 (five thousand) in total. The Government will provide 60% of the allowance (i.e.Tk.3000) and the rest is to be borne by the ICT company.

Intended ICT companies are requested to submit their willingness for employing interns in their companies by filling out this form. The acceptance of the request by the BCC is subject to the compliance of the conditions laid down in Section C of this form and that in the ICT Internship Policy. The recruitment of interne for Batch-6 has already begun.
